

You served. Let us serve you.

Veterans and spouses are now potentially eligible for care assistance.

The VA Benefit can pay for rent in an assisted living community.

The VA Aide and Attendance Benefit provides extra payments to qualified Veterans who live in an assisted living community like Villa. You can use the benefit to cover rent, meals, and care at Villa, letting you keep more funds for other purposes.

We are working with Patriot Angels, an organization whose sole mission is to help Veterans qualify for this benefit.

Let us help you qualify for an extra \$2,229/month tax free as a wartime Veteran.

Who is eligible?

1. Veterans over 65 who served during wartime with an honorable discharge
2. A surviving spouse, married to the qualified Veteran at the time of death
3. Needs some care assistance or a protected living environment*
4. Assets less than \$123,000, excluding home value and personal property*
5. Must not be receiving a benefit for wounds suffered during service*

5. Submit your application to the VA, and track the process until a benefit is awarded.

Villa's Role

1. Villa is a licensed assisted living community and meets all the requirements for this program.
